

Congratulations to the winners and thank you to all those who turned up and rode on what I can only call a typical summer's day.

I understand that there were at least 2 Personal Bests and a Club Record by some 5 minutes.

I feel sorry for those who had driven from all parts of the country and then decided not to ride. Apologies were not expected on such a foul day but my thanks to all who did submit them.

Lastly I must thank the marshalls, timekeepers and all the others who had to stand about getting sun-tans whilst 49 adults, who should have known better, fulfilled their fetish.

And we must not forget the most important people of the day, Mavis and Norman Bird, who kept us well supplied with tea and cakes.

Apologies to some of the early starters for the shortage of marshalls at the Spring Lane roundabout. This was due to a vehicle breakdown on the way to the event. We hope that it did not cause too much inconvenience.

Thanks again to everyone.
