ROLL CALL OF THANKS

On a glorious summer morning, we were fortunate in getting an incident free event, thanks largely to you, the competitors, the E.S.C.A officials, and various club folk, who did a willing and unstinting work throughout the event. Although it turned out to be another "typical" East Sussex morning this should not distract from a fine winning ride from Paul Lipscombe, and our own Alan Limbrey's standard vets winning time.

Initially our thanks go out to all the people who used the Union Point hall, and kept exceedingly quiet throughout the entire morning, I received no complaints, you all deserve a pat on the back. My special thanks to our three timekeepers, Jane Loole (she remembered all your ages), Roy Humphrey, and Reg and Maureen Porter. To our patient marshals, Eric Wadman, Mrs Valerie Stringer, Michael Rabetts, John Budgen, Alan Packet, Mike Hayler and Ron Ewart. The pushers, Keith Chandler and Ken Griffiths. The Board man, who worked rather well in the hall, Maurice Wyatt. Alan Limbrey for putting up the mile marker boards, and not forgetting the five delightful ladies who ran the refreshments, Mrs Jillian Rogers, Mrs Jane Gates, Mrs Sylvia Burgess, Mrs Audrey Chandler and Mrs Eileen Bonner.

We received apologies from five of the non-starters, Jeremy Short, our scratch man, his daughter being unwell, Ron Rogers due to a bad crash on his bike at Laughton on Saturday, Roy Siggs who turned his Volvo over at High Wycombe, John Starsmere who was unwell, and John Godwin, call out all night.

Thanks to Ken and Barbara Atkins for handicapping (I only received two complaints), to Derek, for a nice try at the Lantern Rouge and lastly to members of our club who contributed in no small way to marshalling and returning times to the result board.

Next year, we shall try and improve upon this event, in addition to which we will also be promoting the saturday 10.

A MACHINE THAT MAKES MONEY

If you're a breadwinner — that's you!

Every day you go to work — to make money. And every day you and your family spend that money — to survive. Until one day your income stops. What happens then?

Death and disability can prevent you from earning the money you and your family need. So why not make provision now — because, one day, your income could stop too.
