RIDERS NOTES

The District Committee has ruled that competitor's numbers MUST be distributed at event headquarters or at any designated place
BUT NOT AT THE START

Riders approaching from the south must not cross the central reservation of the dual carriageway. Any rider who does so, or causes another person on his or her behalf to do so, must not be allowed to start and they should be reported to the District Committee.

The starting point is approximately 3 m. from the Headquarters via the A404 and Handy Cross roundabout, so ample time should be allowed to reach the start. Please note that the start is in the first lay-by after Handy Cross roundabout.

The finish: The A404 at this point is a Clearway. Riders must NOT STOP but should fork left into the slip road leading to the A4155 and thence to Headquarters. Special permission has been granted for the Timekeeper's car to be stationed at this point and no other vehicles, of any sort, may be stationed there.

Pedestrian crossing at Charvill Crossroads: A marshal will be stationed at these pedestrian lights and action will be taken against any rider disobeying them.
