INFORMATION

Course Details:

Start just North of Sawston village at power post marked with a white 'S', opposite Sawston sewage works.

Proceed towards Stapleford. After 600 yards turn left and left again to join the A1301 (Sawston by-pass). Continue South to Sawston roundabout where right, taking third exit onto the A505. Proceed via the M11 roundabout to Duxford and then Royston where turn at the A10 roundabout (12.66 miles).

Retrace to Sawston roundabout where turn left on to A1301 (22.20 miles) to finish just beyond the Northern end of the Sawston by-pass, opposite the road sign 'Safron Walden, Sawston' and just short of the entrance opposite Stapleton Garage (25 miles).

NB: There will be no marshals at the Mill roundabout. Riders should continue straight over, both out and back, taking great care.

The 12.5 mile point is by the large 'green' road sign on the approach to the A10 roundabout. It is hoped that a timekeeper will be positioned here, providing some interesting result sheet reading.

Event HQ:

Event HQ will be at Sawston Village College, New Road, Sawston, Near Cambridge, where there will be plenty of parking for competitors cars, full changing facilities, toilets and showers.

NUMBERS WILL BE ISSUED AT THE HQ

Please collect your numbers here and exchange them for two cups of something refreshing after the event.
