Dear Member,

Enclosed you will find full details of the Club Autumn trip. The destination has been changed to Dieppe to cut cost and travelling time. If you are interested please contact Mark Richardson by September 25th. The Club will subsidise each participant £5 (up to a maximum of £50).

The Club's annual prizegiving will be held at The Two Sawyers, Pett, on November 25th. Bar meals will be available for those who wish to eat, so you can spend as much or as little as you like. The last three prizegivings have been held there and have been very enjoyable. Could you please return all trophies to Pete as soon as possible so the engraving can be arranged. He also needs all your result sheets and licences by the end of October so he can sort out who has won what.

On November 17th the E.S.C.A. are holding a Reliability Trial. The course is 47½ miles, starting and ending at East Hoathly, to be completed in 2hrs55m, 3hrs20m or 3hrs55m. Further details and entry forms are available from me. Entries must be in by November 6th.

Congratulations to Chris Kitchenham and Paul Panagi for the following club records set this season:

CHRIS

10 miles (Jun & Sen)	20m53s	25/5/91	Hainault C.C.

Talking of Club records, Pete Baker & Keith Evans are going to attempt to break the Club Hastings-Eastbourne-Hastings Tandem record on Sunday September 15th, starting from Glyne Gap at 7a.m. The existing record was set in 1951 by Jack Southerden & A. Moorhouse. There are a few more sets of traffic lights now but both riders are confident of success. Any support will be greatly appreciated. Thanks to Pete Company & Richard Bateman for agreeing to do the timekeeping.

I hope all those who take part in the Club Trip have a good time.
