**Dear Mr. Acton,**

**A few weeks we spoke on the telephone and I asked you if you would be able to perform at our Social Evening in October. I promised at the time that I would write to you and give you more details: at last I have got round to sending you a letter!**

**We are holding the function in the ballroom and downstairs bar of the Yelton Hotel in Hastings (opposite the pier and next door to the White Rock Theatre) on Saturday, October 31st 1992, and hope to start meeting from 7.00 p.m. onwards. We would be pleased to see you, at your convenience, any time around 7.30 p.m. If you need any help with your organ there will be people about to give you a hand. The steps from the pavement to the fire exit are wide and shallow and easy to get down.**

**Ron Powell is very enthusiastic about your playing and we are looking forward to hearing and meeting you.**

**Best wishes,**

**Yours sincerely,**
