

APPRECIATION.

My grateful thanks to all those marvellous people who so readily assisted in this event. Without their help and co-operation there would be no time trials. My special thanks to:

Our Timekeepers and Recorder, the Handicapper, the two pushers-off (Ken Griffiths and Bill Sladen), Our marshals especially the Eastbourne Rovers (John Godwin and daughter), the Lewes Wanderers (John Bridger, Laurie Leaney, Dick Mead and son) and the Sussex Nomads who manned the TURN at Blackdown RAB. All these folk came to my assistance and their efforts are sincerely appreciated.

My thanks also go to the wonderful canteen ladies, Pearl Wells, Tricia Limbrey and Valerie Hemsley who provided some excellent refreshments, also to Ken Wells, our Official Observer and Course Patrol, as well as to Robin Johnson whose roadside fluorescent signs delighted many and discouraged others! Also not forgetting Alan Kraft who masterminded the Result Board.

Finally, a special thank you to Charles Robson, Eastbourne Rovers, who measured the revised course during a terrible weekend of rain and wind... and had to retrace his steps the following day to ensure his usual correctness... Well done Charles! Those who were 'D.N.S.' missed an exciting and enjoyable occasion.
