Congratulations to all prizewinners. The wet conditions were more than compensated for by the A1 feeling in a rare benevolent mood. This resulted in a remarkable 40 improvements (some quite substantial) from the 87 finishers! I commiserate with a handful of riders who, having travelled a long way, caught a bad patch of rain and rightly decided against starting. I hope you will return next year.

My eternal thanks go to Timekeepers John Pick and Colin Buxton; Pusher-off - Phil Moore; Marshals - Neil Bateman, John Marchant, Steve Martin and Ron Peckham; Number Runner - Dean Coulter; Timekeepers Assistant - Andy Maddox, and last but not least the catering crew of Richard White, Lucy James and Darren Moore who actually managed to sell out of cake! Without you all the event would simply be impossible.

DAVID SMITH.

P.S: A Levi casual top was found at H.Q. If it's yours, please contact me.
