EVENT NOTES

I am very pleased with the entry and all we want now is a safe and fast event. Please take care at the Charing Roundabout turn and do not perform any U turns on the A20 road or within sight of the start or finish areas. The event headquarters will be the Parish Hall in Church Road Harrietsham and will be open from about 1 pm, (this is on the east side of the A20 near the railway bridge). Please respect the hall facilities, no shoe plates etc should be worn within the building. A tea bar will be in the hall and numbers can be exchanged for a drink after the event.

I wish you all a safe and trouble free ride.

Don Robb
