SURVEY - from 172 riders, 50 kindly returned completed survey forms. Those 50 are receiving with this result sheet a summary of the information given - presumably the other 122 did not want to know anyway.

Winner of the prize is David Beadling, Crawley Wheelers, whose answer to "What do you wish for, more than anything" was "Indurain's ability". Prize is a free entry for our hilly "25" on Easter Monday 1994 and, at this point, I shall add it finishes up the top of a third of a mile of 1 in 7. David, you're a lucky man.....
