Thanks to all the helpers, the event went very smoothly. Lewes Wanderers provided the course marshals: Mike & Megan Rabbetts at Blackwood RAB, Carl Matthews at Little Horstead RAB, Richard Meed at East Hoathly RAB and Ken Griffiths at Boship RAB. Lynn Ellis and Tony Horrigan managed the refreshments. Tom Schabel pushed off all the riders and Brian Kirby did great service with many of my tasks while I struggled round the course, then ran times back from the finish. Thanks also to Pete Lennard (Start Timekeeper), Jane Lade & Roy Humphrey (Finish Timekeepers). Congratulations to the prizewinners and thanks to all those who saw my notices and addressed the envelopes after all your forms were stolen with Richard Blackmore's car.

A pair of mitts were found at the HQ, together with an amount of cash. If the owners will contact me, I will return them.

Finally, my apologies for the uncharacteristically late publication of these results. Unfortunately the scribe's computer AND printer both gave up, and it took a long time to replace them and recover the data.

Good and safe riding. Bob.

Many thanks to Tony Preston who helped me with the handicapping, and typed out both start sheets and these results at the expense of a new printer. My car was never found but the cycling event file was amongst papers which were handed in to Newcastle police station - so results can be posted to all!  
Richard Blackmore.
