

NOTES

Numbers will be at START

Distance from Fairwarp Village Hall to start is 1.19 miles; distance from finish to Fairwarp Village Hall is 1.17 miles.

Please allow ample time to get from hall to start and for collection of number.

It is an RTTC Rule that "no vehicles to be parked on the carriageway within sight of the start and finish points".

Would competitors carefully observe the RTTC regulations on "U" turns, particularly in the starting area. This is a fast dual carriageway and we want to avoid any accidents.

Parking at the hall is restricted, please be considerate and park on only one side of the lane leaving sufficient room for residents to negotiate their drives.

Please remove your cycling shoes when in the hall.

Numbers can be exchanged for a drink at the event headquarters after the race.

Keep your head up and have a safe and fast ride.
