*My congratulations to the above prize winners. Harry Featherstone maintained his winning record in Surrey/Sussex promotions and again led the Eastbourne Rovers to a team win. On one of the best mornings so far this season 17 riders improved on their 3 year best at the distance, including Keith Coffey as the fastest non-vet.*

*Sean Yates took a wrong turn on his way to the start a week earlier in the Horwood Paragon event on the same course and arrived a minute late, but he made no mistake this time to record the fastest time of the day by a 2 minute margin. Shaun Kennedy would probably have been the second fastest veteran had he not punctured with about 2 miles to go, which lost him around a minute.*

*Those who rode the event last year will recall that Reg Dilcher (29<sup>th</sup>. Wheelers) suffered serious injuries after hitting a squirrel and coming off. Having had a full year off racing Reg chose this year's event to make his comeback and got round safely. As far as I am aware none of the 4 non-finishers this time suffered anything worse than a puncture.*

*Keith Wilkinson.* Event sec. for Surrey/Sussex Group.
