Well done to all of the riders who took part and congratulations to the winning riders listed above.

The temperature was cool with a fine damp mist and weak wind. Considering the weather in the days before the event, conditions could have been much worse.

Many thanks must go to the marshals, pushers and timekeepers, who did a great job managing the course. Due to the roadworks on the A22 near Eastbourne and at Kennel Corner, this year saw an emergency course introduced. Although it was an easier course to marshal it was still important to ensure that no one took the wrong turn to follow what would have been the normal G50/83 route.

Thanks must also go to the two ladies (Dorothy Cragg & Trish Limbrey) running the canteen who, second only to the timekeepers (Ken & Barbara Atkins) at the finish, must be amongst the riders & marshal's favourite people when they get to the end of the event.

We look forward to seeing you again next year. It would be nice to see even more riders on the start sheet – start twisting the arms of any potential candidates now!
