After the rain during last year's event it looked as though we had an almost perfect morning this year, but the times in general don't seem to reflect this with only one rider (no.59 Mark Corliss) improving on his declared three year best. It was disappointing that there were 10 non-starters out of 71 entries.

Harry Featherstone retained his almost permanent hold on the Robin Buchan Cup as winner on standard by nearly six minutes and again led the Eastbourne Rovers to a team win on standard. On scratch the three riders from In Gear RT recorded impressive times and James Louter at no. 29, because he had no previous '25' time, must have surprised a few riders as he passed them.

After five years of acting as event secretary I would like to take a break next year, as I am now also organizing the East Surrey Hardriders events in March. A volunteer to take over the running of next year's VTTA '25' would be welcome.

- Keith Wilkinson. Event secretary for the VTTA -Surrey/Sussex Group.
