

A P P R E C I A T I O N

As Event Organiser I would like to say a very big 'thank you' to all friends and colleagues who helped in any way with the promotion of this year's East Sussex C.A 100 mile time trial. Without the wholehearted support and co-operation of so many dedicated people this event would not have taken place.

After several seasons of resorting to the use of a 'temporary' Course, via Windmill Hill and Wartling, it was encouraging to be able to use the new route via Polegate - albeit via the new large Cophall RAB and the new Polegate by Pass, and along with the kind co-operation of the Cophall Boot Fair Organiser (who, at our request, moved their fair to the west side of the A.22 northbound trunk road) our event went off with no problems.

Finally, a special word of gratitude is surely due to our enthusiastic Signing Team of John Dutson, and Stuart Greenway, who masterminded the display of dozens of signs around the Course during the very early hours of Sunday morning, and also to our devoted Timekeeper - Mick Kilby, who had to start the first two competitors at some ungodly hour!

Well done to you ALL.

Yours in sport,

Mike Hayler
