APPRECIATION

Once again I would like to thank each, and everyone, who helped in any way, in making this Event another highly successful and happy occasion. Without your enthusiastic support this promotion would certainly not take place.

Nowadays only twenty-five '100' mile time trials remain throughout the whole Country and, next year, will be rather special for the Association (see below).

Finally, 'congratulations' to all Prizewinners and 'well done' to all riders who finished the Course. I hope we shall all meet again in 2006.

Yours sincerely,
 Mike Hayler, (Event Organiser)

SPECIAL FEATURE

EAST SUSSEX CYCLING ASSOCIATION - DIAMOND JUBILEE - 1946 -2006

The Association is very proud to announce our forthcoming Diamond Jubilee Year 2006 and, in addition to our customary first class annual Time Trials programme of events ranging from 10 miles to 100 miles, planning is well advanced to promote a Special one-off Anniversary Year 60 Km time trial event during the peak summer, based upon Hailsham, in East Sussex.

This special event will be 'Open' to all riders (men & women) but with preference to members of Clubs affiliated to the East Sussex Cycling Association. Full information, including Course details, will be obtainable early in the New Year.

To mark the 60th Anniversary a 'free' Association Handbook will be published and should be available at the Association's 2005 Annual Lunch & Prize Presentation to be held at the Horseshoe Inn, Windmill Hill, East Sussex, on Sunday, 8th January 2006 (12.00 for 12.30).

The Association's Handbook will include items such as the President's Message, details of all E.S.C.A Officials for Jubilee Year, E.S.C.A time trial promotions (with Course particulars), a special feature about the one-off 60Km time trial, along with various data about the activities of individual Clubs currently affiliated to the East Sussex Cycling Association. This publication will make an ideal gift for any past, or present, member of your Club who is in anyway involved with time trialling in the South East.
