Thanks go to all riders for avoiding accidents and incidents of road rage. Sincere thanks to Kathy Collard-Berry for timing the event for us again, and to Roger Lambert for being her recorder, both from the Rother Valley C.C. Thanks to Dave Geary for pushing off. Now that we mainly use signs, I can still thank Dave Fleming(Bognor Regis C.C.) & Peter Delves(Horsham C.C) for marshalling, and Mike Marchant(Southdown Velo) for number checking at the turn. Once again thanks to Brian Mitchell for looking after the catering, with further thanks to Dave Fleming for assisting after marshalling. I would also thank Peter Warhurst (B.J.W.) who came up from Bournemouth to watch and help me with the result board. Again, thanks for all the riders support of the latest Bognor Regis C.C. promotion. We still have two further promotions this year for your pleasure ! 10th September - Battle of Britain Memorial 25', P.901, Entries to Don Lambert. 15th October, - The Goodwood Classic Hilly 28, P.911, Entries to Roy Fairchild. Both are in the C.T.T. handbook.

All best wishes for the rest of the season.

John Maule, Event Secretary.
