Brian Jones of Kimroy Photography has generously donated three Prize Vouchers to support the event. Although this is much appreciated, it has created yet another problem for me - you all deserve one but to whom shall I award them! After much soul searching, I have taken the cowards way out, closed my eyes and used a pin! Consequently these are the lucky riders:-  
 Damian Poulter, Alistair Mitchell and Douglas Shaw  
 but I would urge you all to order a photo of your endeavours as a keepsake.

### Afterthoughts of the Promoter

Well done to all the prize winners and thank you to you all for taking part in such 'difficult' conditions.

Worthy of note was the battle between Laurence Harding and Sean Yates, both doing super rides, with Laurence just shaving it by seven seconds. Laurence went on to achieve the double by winning the 'Anerley 50' on the Sunday.

Similarly there was an epic contest in the Vets on Std competition, with Harry Featherstone, a mere seventy three years old beating the eighty year old Ray Dare by ONE second on standard. The Groups seem to have caused some interest. They were based on the riders 'line 1' time on the Entry form then, with the exclusion of the fastest seven riders and those who did not provide a 'line 1 time' they were placed in groups of ten in descending order.

Finally I trust that, now you have recovered, you can look back on the event with pleasure and that you will come back again next year and I will try to do better with the weather.
