THANKS TO ALL COMPETITORS for avoiding traffic accidents and aggravation to other road users, BUT shame on the Competitors seen taking the 3rd exit from the Roundabout shortly after the Finish. A Rider was even reported to have dismounted after finishing, shouldered his bike, run across the eastbound carriageway, climbed over the central reservation, run through the westbound traffic, remounted and pedalled off towards Chichester. Looks like we'll have to invest in CCTV at Fontwell to identify and discipline Competitors risking Life, Limb and the Future of the P901.

BRCC are very grateful for the support of personnel from other Clubs; in particular from 'The a3crg Crew'.

TIMEKEEPING: Kathy Collard-Berry – a3crg

Ken Blowe – South DC/Elmtree Wheelers

RECORDING: Roger Lambert – a3crg

MARSHAL(Temple Bar) : Dave Fleming – Portsmouth C.C.

LAUNCHER: David Collard-Berry a3crg (ably assisted by BRCC's Dave Prior)

My thanks to BRCC President, Les Janman, for running the HQ functions, to clubmate John Maule for checking/turning Competitors at Arundel and to Brian Mitchell(first to arrive/last to leave) with catering/clean up team of wife Rily and daughter Bryony's family.
