Promoted for and on behalf of Cycling Time Trials under their rules and regulations

COURSE CODE G25/89

Results

After a miserable day weather-wise for Saturday's '10', we were blessed with much better conditions for the '25', although a stiff headwind into the finish took the edge off the times. A slight error with the start order meant that times for the last ten riders displayed at the finish were a minute out. Unfortunately this did have an effect on the prize list, so on one hand I apologise to anyone who has dropped down the awards and on the other I congratulate those who have improved their standing. Indeed congratulations to all prizewinners!

As always with these events there are a number of helpers that must be thanked; Su and Richard for their timekeeping, Stuart 'el Presidente' Crabbe for pushing off, Helen Earl for assisting the finish time keeper, Romana Miles and Julie Turner marshalling at the Black Down Rbt, Steve Pemberton (who deserves extra praise for dealing with a number of badgers on the course!) and Chris Chapman at the Little Horstead Rbt, Steve Shoosmith, Jo Lawton, Ian Hendry and Mike Hayler at the Boship Rbt, Nikki Henchy in the kitchen, Mick Kilby for handicapping and laying out the start order, Mark Corliss for his help with the results board and everyone else who helped out on the day and in the week leading up to the event. Finally a very big thank you to everyone who rode the event.

Good luck with the rest of your racing this year,
Dan.
