

THE EVENT SECRETARY

FIRSTLY CONGRATULATES: RICHARD PREBBLE for another fantastic winning ride.

MARK SILVER, hub gear event winner, enough for 15th
in the main event.

NICK SMITH, a great ride from a promising junior.

DEBORAH PERCIVAL for a winning ride in the ladies' section.

JON CARTER for an excellent ride, closest to his personal best.

JOHN WOODBURN for yet another crushing vets. standards win.

I always feel personally liable when we get a wet morning and this year was just like our May "10"
but not so cold. My congratulations to all those who started - a great achievement by you all.

I think the early starters had a harder ride down the A24 the second time, but later starters may
have found the wind eased a bit but it was certainly getting wetter.

You will all be relieved to note that I have no plans to use the emergency course again.

To add to my comments on page 8, many congratulations to SEVENOAKS TRI-CLUB for being the winning team. They have supported this event for 3 years and, clearly the swimming discipline of triathlons assisted them.

Also, EPSOM CC were the second team with 3rd counter being Hans Neeser who would admit he does not usually win awards. We are all given 5 minutes of fame, they say.

It made my day that Hans got in the awards.

Lastly, BRIGHTON MITRE CC got the third team with your humble event secretary scraping in it. Truly, undeniable proof that every dog has his day.....
