## ESCA 2 Up TTT

Sunday 5 April 2009

---

a3crg reign at the ESCA 2up Team Time Trial.

In excellent spring conditions, 34 teams took on the 23.9 mile sporting course loosely based around Laughton.

InGear were strongly represented with five teams from the Junior Development Squad but it was the visitors from a3crg who stole the day with the pairing of Paddy Brennan and Seb Ader winning in 53:32. They were almost 2 mins clear of Steve Calland and Marc Clothier of South Down Bikes.

Danielle Archer and Linda Stocks from a3crg's Squadra Bella were the first ladies team with 1:12:56 with Brighton Mitre's husband and wife team Mike and Claire Leonard finishing in 1:05:08 to claim the mixed team prize.

In Gear Development's James Bowtell and Oli Wilmot were the fastest juniors on 1:02:21 with their team mates James King and Cameron Carthew bagging the mixed, one junior team prize with 1:03:45. Brother and sister Adam and Sara gent also competed with Sara paired with fellow junior Tom Bowering. They finished with a commendable 1:11:40.

A special mention should also go to Neil Quarmby of Southborough Wheelers as he was the only solo rider. Neil clocked a strong 1:03:04.
