Headquarters

Maresfield Village Hall, Batts Bridge Rd, Maresfield. The HQ is approx 1 mile from the start. Numbers are available at the HQ. Competitors must sign on using the sheet provided at the number collection point in the HQ. No shoe plates in the hall please. **Please do not park too close to the traffic calming measures to the west of the hall. It blocks the road and we have had complaints about this.** Riders may exchange their number for a cup of tea / coffee after their race.

Additional Information

- Riders must not warm up / turn in sight of the start finish areas and are requested not to warm up on the course after the first competitor has started
- No vehicles shall be parked on the highway within sight of the starting or finishing points
- Riders must beware traffic from right on all roundabouts
- All riders under the age of 18 years must wear a properly fixed helmet that complies with recognised standards
- CTT regulations require the compulsory use of helmets for the under 18's. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards
- COMPETITORS MACHINES. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use
- Riders who currently use an inhaler for medical reasons must register this fact with British Cycling to satisfy UCI, CTT and BC Anti-Doping Regulations.
- It is an offence for a competitor in any event to use or to have administered to him any proscribed substance that might affect his competitive performance. A rider receiving medical treatment which could include a proscribed substance must not compete in time trials.
