Safety Information

- **HELMETS:** CTT regulations require the compulsory use of helmets for the under 18s. In the interest of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.
- **COMPETITORS' MACHINES:** It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.
- **COMPETITORS' VEHICLES:** No vehicles, except those of timekeepers and event officials, shall be parked in the vicinity of the start or finish.
- Competitors are requested not to warm up on the course after the first competitor has started.
- Details of any additional hazards, not listed on the start sheet, will be displayed or advised at the signing on point. All competitors must take note of these details when they sign on.
- No times will given out at the finish.
- **Competitors must exercise extra care when turning left just after the start and at Boship Roundabout.**
- **After finishing, competitors MUST continue to the Shaw roundabout and take second exit (Right) to return to event HQ at East Hoathly. No 'U' turns after finishing or competitors will be disqualified.**
- **Please take extra care as there are many potholes on the road, particularly at the entrance and exit of the Boship roundabout.**
- There are no 'planned' roadworks on the A22, however, there is always scope for emergency roadworks, particularly given the number of potholes on the road.
