80 YEARS AWHEEL

THIS is a history of the first eighty years of the Hastings and St. Leonards Cycling and Athletic Club, one of the oldest organizations of its kind, from the early days of cycling in 1876 up to the end of 1956, including many notes on the activities of other local cycling clubs.

Also recorded are most of the cycling and athletic sports meetings with open cycle races which have been held in the district of Hastings and St. Leonards.

THERE are four pages of photographs.
