TRACK SUCCESSES

At the Tunbridge Wells A.C.C.'s track meeting last week Terry Baldwin, of the Hastings and St. Leonards Cycling and Athletic Club, rode well in good company and won two of the three open events—the 440 yards and 880 yards handicaps.

On Sunday the club's 100 miles trial was held in conjunction with the E.E.C.A. event and won by J. Southerden, whose time of 4hr. 47-min. 32sec. gave him fourth place and third handicap in the East Sussex trial. B. Kemp was second in 4hr. 49min. 12sec., and R. Downey, 5hr. 8min. 12sec., was third. Fastest was C. Robson (Eastbourne), with a new event record of 4hr. 38min. 12sec.

Tomorrow, members meet at the King's Head, Ore, at 5.30 a.m. Tea will be at Brookland.
