Dear Sir,

We have been instructed on your behalf by the National Cyclists' Union and very much regret to learn of the injuries you sustained in the accident which occurred on the 5th December last.

In order that we may make full investigation and enquiries will you please be good enough to sign and return the enclosed letter of authority; our services, of course, being performed at the expense of the Union.

Without wishing to trouble you too greatly at the present time and pending receipt of a medical report from the hospital, if you can recollect any of the circumstances of the accident would you please get out for us a short statement as to what occurred.

We are taking the matter up with the Police.

Yours faithfully,
