

THE BICYCLE CLUB.—After a closely-contested race of about a mile-and-a-half, on Wednesday, Mr. H. F. Style won the sub-captaincy of the Hastings and St. Leonards Bicycle Club, Mr. Arthur Lovett being two yards behind, and Mr. T. Beckton a bad third. In the evening a supper was held at the Seaside Hotel, the headquarters of the club, when Mr. Style was presented with the first prize, a silver bugle, the second prize being a bicycle lamp and bells, and the third a silver flask.
