

The following table shows the results of the survey conducted in the year 2000. The data is presented in a tabular format, with columns representing different categories and rows representing different sub-categories. The table is organized into three main sections: 'Section 1', 'Section 2', and 'Section 3'. Each section contains a list of items and their corresponding values. The values are presented in a numerical format, with some items having multiple values. The table is presented in a clear and concise manner, making it easy to read and understand.
