

HASTINGS CLUB NOTES

The run to Matfield on Sunday was enjoyed by a good muster.

Leaving by way of Cambridge-road and the Harrow, the riders went on to Whatlington and Robertsbridge, and took the main road to Lamberhurst, here turning right for Brenchly and district, and on to lunch at Horsmonden. Afterwards there was lane riding to Hartley, and the way now led to Bedgebury Park. After some rough going the party arrived at the lake and then went through the Park to the main road and via Plumwell to tea at Swiftsden. After games, they made for home via Hurst Green and John's Cross.

To-morrow (Sunday) Mr. P. Bliss leads a mystery run, leaving the Royal Oak at 9 a.m. All tea arrangements have been made.
