HASTINGS CLUB NOTES

The run to Leeds Castle and district was well attended. Leaving via Ore, the riders reached Rye in good time, and the way then led through Playden, Iden, Wittersham, Tenterden and Biddenden to Headcorn for lunch.

After travelling via Sutton Valence and Langley cross-roads, they reached Leeds Village and Castle, and rode on through Harrietsham, Lenham and Charing, bearing right via Pluckley to Bethersden and High Halden. Tea was taken at Tenterden, the return journey being via Rolvenden, Northiam and Sedlescombe. Home was reached in good time, after a trip of over 80 miles.

To-morrow (Sunday) Mr. J. S. Southerden's mystery run leaves the Royal Oak at 9 a.m. All tea arrangements are in his hands.
