Spartans in Championships

In the Sussex road race championships on Sunday Bernard Dean was best of the Spartan Club entrants, riding into sixth place. The only other club rider to finish was Roy Hillman, who rode very steadily to finish 10th. The race, which was run in hot, windy conditions, was won by W. Livesley (Southern Couriers). Of the other members, two retired with punctures and one with an attack of cramp. The Thursday evening race was postponed because of a thunder-storm and will be run later.

Tomorrow (Sunday) a club team will be riding in the Eastbourne Rovers' road race over eight laps of a Nanfield, Ashburnham, Borcham Street circuit, starting at Borcham Street at 12 noon.
