

Tandem pair's SUCCESS

HASTINGS and St Leonards Cycling Club's Peter Baker and Keith Evans finished in the top five of the Tandem Club 25 mile championships at Cambridge on Sunday.

The flat exposed course stopped the 90 strong field putting in fast times with the Hastings' duo finishing in 57min 10sec.

The Hastings junior road racing squad have had some success in the recent Lewes Wanderers CC circuit race series held at Laughton on Thursdays.

The event is hotly contested by a number of Sussex clubs and up to 50 riders have been competing each week.

Mark Knowles, John Sharples and Chris Kitchenham all finished the three races well up the field with Mark winning the second.
