

Tandem record

PETER Baker and Keith Evans have been in recording breaking form over the last fortnight.

The Hastings and St Leonards Cycling Club tandem duo broke the club record by 1min 40sec in the Southend and County Wheelers time trial by recording 20min 54sec for the ten miles.

On Sunday, favourable conditions saw them set another club best by completing the Essex Roads 25-mile time trail at Witham in 52min 27sec to finish fifth overall.

Fellow club rider Chris Kitchenham did not enjoy such good weather when he took 59min to finish a 25-mile event in Bedfordshire.
