Boardman 47.19

In what can only be described as an awesome performance of staggering proportions Chris Boardman GS Strada produced the first ever 47 minute '25' in the High Wycombe CC promotion last Sunday when he set a new competition record of 47 minutes and 19 seconds. This was a sound thrashing of Gary Dighton's figure of 48.07 set on this same H25/13b course last year. Almost as incredible was Boardman's winning margin of almost two minutes over rising star Stuart Dangerfield who finished in 49.12. seconds. Most of the damage was inflicted on the outward leg as analysis of times at the fourteen mile turn point showed Boardman leading Dangerfield by one minute and twenty seconds in 26.27, against 27.47. Third at this point was Jeremy Short (Antelope RT) in 28.22. from John Pritchard (Express RT) in 28.23. and Simon Lillistone in 28.29. Chris' coach Peter Keen had confidently predicted many weeks earlier that Chris could do a 47 minute or even a 46 minute ride on this course when the decisions were locked into place for the record attempt, and so it proved to be. Also riding under Peter Keen's direction were the rest of the Olympic pursuit squad and all produced very fast rides. The best of which was Simon Lillistone in 50.57. followed by Brian Steele in 51.03. Rapidly improving junior Chris Ball who finished in 51.15. just separated Paul Jennings (51.19) from his Olympic team mates. The two other squad riders Glen Sword (52.13) and Rob Hayles (52.37) finished in 11th and 14th places respectively and both went home with personal bests. These times showed apart from Boardman, just how closely matched the Olympic squad riders are for speed. Chris Ball's ride was just a mere four seconds away from the junior competition record. Given his rapid rise to such super times it can now only be a matter of time before this record falls to Ball.

The storms of the previous day had settled by Sunday to reveal an almost still morning for first man off Keith Ewing of the promoting club who promptly set the scene with a life time personal best of 1.06.02 at the age of 61 years. As the morning developed the wind rose steadily but seemed to switch direction from time to time as various riders reported different sections of the snaking course to be hard or easy.

This event had attracted a record entry of 340 riders and the novel entry condition of 50% slowest meant that a relatively large number of modest club riders had the chance to ride a fast course with the cream of the countries time trial talent. Most of the fifty eight personal bests on the day came from the slowest 50% probably due to the fact that many riders in this group hardly ever ride a course as fast as the H25/13b.

The event was also backed by generous sponsorship from Winter-Taylor Solicitors of High Wycombe which enabled a substantial prize list to be offered to all categories.

Crabwood 10 for Dighton Dave Creese Weekend

Former B.B.A.R. Gary Dighton (Manchester Wheelers Trumans Steel) raced to a much needed morale boosting win when he took the Peter Hargrove Cycles sponsored Crabwood CC 10 on the A34 dual carriageway north of Winchester, but his success was not as decisive as many expected.

Forty year old Mark Fodden (Bournemouth Arrow) surprisingly unseeded, one minute behind Jeremy Short (Antelope RT) led the Manchester Wheeler by five seconds on the wind assisted outward leg to Bullington Cross, but the "Fenland Tiger" sliced through the troublesome air on the slightly shorter return half to win by twelve seconds.

Current B.B.A.R. Glenn Longland (Antelope RT) his mind more concerned with the following day's Wessex B.C.F. Road Championship (placed ninth) in his somewhat unorthodox preparation for his major objective, the National 24 Hour Championship on June 20/21, also improved racing into the wind, moving up from fifth to third in gaining five seconds on Fodden as Lee Paxton (Salisbury RC) slipped in the other direction, falling behind Short who held fourth fastest spot in both directions.

None of the other 99 entrants finished in the same minute as these five, and only another five managed to fill 22 minute slots, but among those with a "23" to his name was 61 year-old Fred Shepherd (Bognor Regis CC) for a "plus" of 6m.10s.-quite enough to add the Wessex Veterans' Group title for the distance to the 25 he won a fortnight earlier.

Peterboro

A new open event course record by twenty two seconds for John French, with Maria Lawrence the first lady under the hour on this course.

Double

The weather was mild and sunny with a very light easterly wind, giving riders a slight advantage out to the turn at Chatteris.

Faster times came later on as it became warmer, and the event was well over before torrential rain, that had been forecast, came in the early afternoon.

The largest field ever for this event saw Nigel Hall, off at number 10, at the head of the leader board for half an hour with 58.15, before Simon Forward, of Cambridge University CC and last year's winner, improved on this by nine seconds. His club colleague, Aled Williams, then improved with 56.22, breaking the 56.56. course record of Adrian Allen (Team Haverhill), but this stood for less than ten minutes before the promoting club's ace vet, Alan Newark, came in with 56.13.

All eyes were then on the last three fast men, to see if Newark would win the extra prize being awarded for the course record.

Nick Edwards and Bob Garrett were both down on him at the turn and failed to improve on his time, but Dave Creese, off at the back of the field, reached the turn three quarters of a minute up and, although losing a little on the return, finished with a winning 55.42.

The team prize went to East Anglian CC when the third counter in the strong Cambridge University entry, perhaps more concerned with his end of year exams than his other student colleagues, failed to start.

In the tandem event, the anticipated battle between Geoff Bateman and Don Saunders of CC Breckland and the new-this-season pairing of Andy Everett (Polytechnic CC) and John Smith (Wisbech Wheelers) was overshadowed by the performance of husband and wife team Ken and Julie Baker who won with 55.05. over half a minute faster than Creese, while Jim and Vera Staines tried out their new tandem trike with a commendable 1.07.41. before deciding whether to enter the National 24 hour.

VTTA (Yorkshire Group) Open 100Km

Time Trial Leeds - Scarborough

The prayer mats were out prior to this annual trip to the sea-side as riders tried to invoke a howling South West wind to speed them on their way. But it was not to be.

Instead, there was a nagging "back-aching" Easterly breeze to contend with which turned long drags into "very long drags".

However, it was warm and dry apart from a brief shower and although it certainly was not a "flier", conditions could have been worse.

It was overcast as riders assembled at the Old Red Lion on the outskirts of Leeds and set off along the A64.

The falling terrain making the journey to Tadcaster reasonably rapid despite the wind. But it became a bit of a slog as the road skirted York and headed towards Malton and the lumpy middle-section of the trip.

By now there was even a bit of sunshine as the notorious Whitwell Hill took its toll on stamina and rhythm and competitors faced the long pull up Malton by-pass before settling into the final stage of the race cooled by a brief shower.

Now the obstacle was traffic rather than terrain. Some-one in their wisdom had decided to move a large Excavator on an even larger "low-loader" from Castleford to Scarborough. This caused a tail-back of traffic which most, if not all, riders became entangled in.

However the final few miles into Scarborough were perhaps easier than had been expected and soon the Chequered Board was passed and riders could ease off as they made for the Race Finish HQ.

Honours in the Veteran Categories went to Jim Goodwin (Sheffield Phoenix) who was 60 on the day. His "extra" standard allowance gave him a plus of 32.59 from a time of 2.45.49 and an 11 second advantage over club-mate and Chairman of the North Mids Group Ron Blythe, who had a plus 32.48 (2.55.04). A terrific ride by Vaughan Caswell (Harrogate Nova) whose rapid 2.41.23 made him Fastest Vet over 50 and gave him a plus of 31.36 to take 3rd place on Standard.

Pete Read (Goole Vermuyden) took the 40-49yrs on Standard and Actual Fastest Awards with a time of 2.39.42 (+20.47) and led the Goole Vermuyden to Team victory both on Standard and actual times as well as being 3rd fastest overall in the Event.

Fastest in the Event was Philip Barlow (Kiveton Park CC) with 2.29.50 with 2nd place going to club-mate M. Oliver in 2.35.48

The tandem event was won by 12 hour and 24 hour National Competition Record holders Rod and Peter Goodfellow (North Lincs RC/Sheffield Univ. CC) with actual fastest time of 2.28.41 and best on standard (+21.38).

After the Event there was the usual Award presentation and raffle in the HQ which rounded off the day nicely but not a stick of rock in sight!

U4 30mph plus

With the promise of one of the last events to be held on the U4 with the imminent arrival of traffic lights at Commonhead Roundabout, a good entry of thirty two machines were on the card with teams from Yorkshire, Cheshire and the Southwest making the trip.

After travelling through thunderstorms to Swindon, most were surprised by the warm, dry conditions which greeted the early starters. First indications were somewhat mixed, however, with the wind rising from the turn.

Andy Cook and Peter Bonfield made good of the difficult conditions to return in 18.48, next to beat the magic 30 mph. were CC Breckland visitors R. Searle and R. Ruocco with 19.29.

Eighteen minutes later fancied pair Chris Worsfold and Alan Steinle equaled them, three minutes went by before another visiting machine arrived, that of John Ollerenshaw and Andy Payne, a new personal best of 18.32. put them into first place which held off Chris Lee and Geoff Pritchard of Beauvale CC on 19.35 and fellow Yorkshire team of Maurice Jones and Mick Storey, on 19.53.

An excellent ride by husband and wife team of Steve and Becky Brown (20.44) to take fastest mixed team award.

Without doubt with kinder conditions the first two machines would have been nudging the tandem record of 17.56. set on this course two years ago.

Graham Hatcher, second and winner Harry Walker gave established time triallists a surprise beating, both improved their personal bests considerable.

Harry Walker, the winner is in the first year of a "comeback" season after a three year lay off, while Graham Hatcher who was second and the fastest junior more usually rides road races and terrorises the local chaingang.

Ramsbottom's Boston win

At last a warm dry morning and taking advantage of the reasonable conditions Julian Ramsbottom warmed up for the National Championship 25, with a resounding win in the Boston Wheelers 25. His time was a brilliant 54.22, which fully justified his scratch position and beat second placed Mark Grantham by over one and half minutes.

Conditions were near perfect, for this difficult but flat course on the Boston to Horncastle road, with a slight breeze on the return leg. Grantham making his first appearance this year finished just over a minute ahead of third placed Alan Lintin. Arthur Lofts took advantage of a generous allowance of thirteen minutes from the handicapper with tenth place of 1.00.39, and a handicap win by almost one minute and all from a starting position of No.8.

Yorkshire visitors, Morley Cycling Club had a win in the team award from the Lindsey Roads CC and Cliff Garwell of the promoting club took the veterans standard award.

It is the fastest course in Britain with a 'U' turn, the RTTC representative of Lincolnshire wants to ban it because of the 'U' turn, but it is a very safe and quiet course.

1992 RTTC National 25 Miles Championship.

The 1992 RTTC National 25 miles championship, being organised by Velo Club Cumbria at Cockermouth on the L2511 on Sunday 7th June, is going to be a clash between the reigning 25 miles time trial champions from both sides of the Border.

Ahead on points already is Scotlands Graeme O'Bree of Greenock RC who ventured across the Border for the VC Cumbria 25 miles time trial in April and all but broke Mick Bradshaw's course record of 53.28, on an atrocious morning.

With the dis-advantage of not knowing the L2511 course the reigning British champion, Chris Boardman, GS Strada has also suffered a severe set-back after receiving head and arm injuries racing for Great Britain in the Circuit des Mines in France, but showing no after effects when breaking the competition record last Sunday with 47.19. But for all that Boardman will be looking to clinch his fourth successive title and has the advantage of starting last in the field of 120 riders.

At 110 on the card Gary Dighton, Manchester Wheelers is the 2nd fastest rider in the field with a time of 48.07 but yet was only 9th in the 1991 championship.

Ron Peeble, Wembley RC, tenth in 1991 is off No. 100 and has a qualifying time of 49.09, while Pete Longbottom, GS Strada at No. 90 will be looking to join team-mate Boardman on the rostrum, if not as an individual medalist then for a team medal.

Martin Illingworth, GS Strada at No.80 could well form the three-some for the team of GS Strada and is a long shot for an individual medal after finishing 26th last year while Martin Pyne, Polytechnic CC at No.70 and third last year must be looking to go better this time.

At No. 60 and seventh seed is Scottish Champion Graeme O'Bree, Greenock RC with a qualifying time of 49.48. O'Bree's unorthodox riding style will be watched with interest since the friendly Scot has promised to introduce a radical design of racing frame for the 1992 championship.

Stuart Dangerfield is the eighth seed on No.50, qualifying in 50.02 and 17th in last year's championship while team-mate and 9th seed Alan Stapleton, 38th in 1991, qualifies with 50.06.

Tenth seed Geoff Giddings, Delta RT was sixth in 1991 at the Bristol championship venue and could well be suited to the Cumbrian course. Eleventh seed at No.20 is Nick Gardiner, Oxford Poly CC while 12th seed Graham Waddington, Pendle Forest CC was far from happy after the last VC Cumbria '25' when he finished only third behind Lee Foster, Border City Wheelers and vowed he'd not be back.

Four Cumbrian riders qualify for the championship led by Justin Lewis, VC Nouveau, off No72 and qualifying with 53.56, Justin was 40th in the 1991 championship with 56.49. Lee Foster, Border City Wheelers is well known for his direct aggressive riding and qualifies on 54.06 while Mike Hargreaves, VC Cumbria takes the courtesy position as No.1 after qualifying with 55.33.

Peter Brear, VC Cumbria is the fourth Cumbrian to qualify with a qualifying time of 55.53, and starts at No29.

Breckland.

A total of 25 riders turned out for the 4th event in the CC Breckland series of mid-week club events. Not the easiest of courses the Marlingford '10' on 27th May saw two riders lose their way in spite of marshalls in situ and a map in the club handbook.

There was the usual good sprinkling of second claim riders all keen to get on the points competition table especially for them.

Fastest riders of the evening was Don Saunders in 24.15. but still in the lead with 106 points was newcomer Graeme Burton who finished third in 26.05.

Ray Mason RAF CC leads the second claim points table with a total of 114 with his clubmates all desperate not to get a short term posting during the season.

Rutland

On a fine warm evening but with a strong 'anti' time trialling easterly wind blowing twenty solo riders and four tandems welcomed the change of course from last week's sporting 25 mile to the relatively flat 10 Cuckney-Worksop course.

The eventual winner of the series will be best of nine from sixteen events so this week, number eight, marked half way mark with no rider at the moment having won more than three events. It is still pretty well an open competition.

Stuart Elsy got his first win of the series on this Cuckney course with a 22.59. Gary Furniss, second finishing twelve seconds down with veteran Hedley Oliver in 23.15, third. Colin Keeton's style was a little cramped after the Anfield '100' on Monday but still leads the vets competition. On standard his time of 28.24. was one minute eight seconds slower than brother Ernest, another contender in the vets competition. In the lead of the Senior competition is Mathew Sedgewick with 64 points, second Stuart Elsy with 45 points and in third place Gary Furniss 43 points.

On tandems Jim Hall, the President rode with George Lascelles and Simon Keeton rode with Simon Heywood. Times of 22.11. and 21.17 respectively were attained.

First time juvenile rider James Mallender went just inside evens in 29.10. to wet his appetite for future rides.

Fifty six riders have so far ridden the Rutland mid-week events with an average of over 20 per cent, a pleasing improvement on last year's 15 per cent 'average'. It is certainly encouraging to see so many new members riding these Club Time Trials.

Ravens take to the shires

The Ravens wings have been spread far and wide. Roger Little did two 57 minute 25's on consecutive days-23/5 North Shropshire,24/5 Mersey Vets first on standard.

V.Palk managed a 2.04.59. in the CC Breckland '50' and was first vet on standard. Meanwhile the less fit went on the club run to Market Drayton.

On Wednesday 20th May three members rode the Manchester Vets 10, Bernard Bainbridge, Rory McNee and Val Palk then rode the club 10, fifteen minutes after finishing the first event,

On Saturday 30th May Jim Ogden came second in a sprint finish in the over 60's National Road Race Championship at Towcester. the following day three super-fit veterans rode the Chester RC 25, Roger Little 59, Val Palk 1.02. Jim Ogden 1.04. Pauline Clarke did 1.15.15 in the Manchester District Ladies CA 25.

The club run was split- seven mountain goats went well dressing to Tissington, Derbyshire and nine members of the flat earth society went to Faddiley, Cheshire.

Elite CC v Essex Roads

Riders from the Elite CC came away winners of the John Bull cup when they competed against riders from Essex Roads CC on Sunday. Their aggregate time for the fastest three riders 3.03.45. for the 25 miles was just under nine minutes faster than the fastest three riders from the Essex Roads. Times for the Essex Roads riders:

Wrekinsport.

Yet again a strong wind was blowing across the triangular shaped course based on Shawbirch, Peplow and Shawbury, North of Telford.

This week it seemed to be a little easier than expected with the wind helping on two of the three legs and only really a problem on certain parts of the final leg, when it was dropping slightly anyway.

Certainly times were not affected, the two fastest riders improving by approximately one minute on the previous ride a few weeks ago on a circuit that has been variously measured at anything between 18.5 and 19.5 miles by various computers.

Fast man Antony Jowett had the perfect 'Carrot' by having to chase next fastest Dave Poulter for one minute. It must be pointed out that he did not succeed in catching him but, it dragged a ride out of him and set him up for a 21.56. on the Oxford University CC 10 on the following Saturday, the second fastest 10 recorded by a Wrekinsport CC rider.

Simon Corbett continues to improve, his 48.40 fast enough for third place was nearly two minutes faster than the previous ride on the course. However Bill Large was only able to claim fourth place, a minute down on last time, suffering from too much racing. Robin Jones put in a very good performance to beat fifty minutes by two seconds, and the 'Flying Vicar' Maurice Young is finding form hard to come by at present, no doubt his job preventing his partaking in too many tests.

Group A is led at present with 38 points by Antony Jowett, from Dave Poulter on 34 and Bill Large 26. This could change in the next few weeks with the first two riding some open events on a Wednesday evening. Group B has Simon Corbett as a runaway leader, his 20 points, second placed Adam Tapley who has 9 points. Group C is led by Ken Pye and Alan Williams each with 8 points.

The ladies category is led by Sarah Corbett with 12 points from Jo Large with nine.

This week sees the second event of the 2-Up 23.5 mile competition and should be wide open as 'fastmen' Antony Jowett and Dave Poulter are not riding.
