CHRIS BALL JUNIOR CHAMPION

National Junior record holder, Chris Ball (Antelope RT. Radford Accountants) emerged as the dauphin to his club's B.B.A.R. "king" when he beat his own course record of 55m.57s., set within two days of his eighteenth birthday last month, to win the twenty-ninth British Junior 25 mile Championship in 55.14, on a morning made difficult by a persistent wind, which gave the 89 starters from an entry of 96 a hard ride out to the turn.

Held on the southern half of the A38 between Gloucester and Bristol after road works near Cam prevented the promoting Gloucester City CC. from organising the race on the preferred course. This event proved to be a real test of unpaced racing on an undulating, mainly single carriageway road, which has lost most of its traffic to the M.5. running parallel to it, and the outward half, to the Almondsbury Interchange included the mile long drag up Milbury Heath Hill, with its height difference of over 200 feet. This called for intelligent use of gears and Ball was not alone in looking laboured on the slope, but appearances proved deceptive as his "turn" time revealed. Though no one managed to cover the 12.5 miles in under the half-hour, he reached this point with its "wall to wall" marshalling-no fewer eight officials were there to ensure no one went "off-course"-in 30.44.

This gave him only a two second advantage over the runner-up, Ken Stewart (Clevedon & District RC) but any doubt that the Codford, Wiltshire record holder might miss out in this championship was dispelled over the third quarter of the race.

Selecting 13 and 14 tooth sprockets to replace the 15,16 and 17 cogs used in the first half, Ball soon had his 50 tooth chain ring spinning, and an unofficial time check at 20 miles showed him to be leading his West Country rival by twenty-five seconds. Stewart could not pull back that deficit over the gently undulating five miles to the finish at Berkeley Road.

While seeded riders stepped forward to receive gold and silver medals at the prize presentation ceremony staged in Berkeley Vale Community School afterwards the bronze medal was won by the little fancied Paul Manning (Cannock CRC). Though never able to match the speed of Ball and Stewart, he was third fastest to the turn, in 31.23., and held this position over the return leg to mark his first competitive ride on the course by

improving his personal best for the distance by 39 seconds, finishing in 56.19.

There was no change in the destiny of the team medals, retained by the Portsmouth based VC St.Raphael. Waite Contracts trio led by its 1990 G.H.S. 10 mile champion, Andrew Mummery. The sole survivor of last year's winning team, 16 year-old Mummery seemed a trifle disappointed to find himself placed tenth on individual classification but he has another two opportunities to improve on that position in this championship. This talented teenager from Chippenham was well supported by clubmates, James Makepeace from Cheltenham, who pulled back two seconds of a seven second deficit at 12.5 miles to fill eleventh spot, and Paul Moore, fifth to start and the first of 23 to beat the hour with a time of 58.29. which gave him fifteenth place and his club an aggregate of 2.54.32. The absence of the club's BCF, Peter Buckley Trophy leader, Tim Griffin, was hardly missed.

Talking about his first national championship success afterwards Ball revealed that this was one of six objectives he has set for himself this season, and only the second he has achieved, after his competition record for the distance. He has at least two more titles, the national 10 and a British track championship in his sights, the next few weeks, and is looking for another 19 minute "10" time to boost his prospects for the junior BAR. and if that is not enough for this ambitious young man he is hoping performances on the track at Leicester this month will lead to selection for the World Junior Championships in Athens, commencing on September 18.

Not surprisingly, Ball is not looking farther forward than that at present but Sunday's race comes six years after another - Chris-Boardman-won this championship, and if this likeable rider can match the progress made by the Olympic Games gold medal winner he could be the man to strike gold in 1996, but one thing he did share with everyone else on this occasion was his description of the conditions.

"It was hard both ways", he said, and if most of his rivals relied on the wind to blow them back from the turn perhaps they should reflect on Ball's opinion of the return half. The wind helped him as much as everyone but he still found it hard, simply because he was able to lift his speed above all the others.

That's how championships are won, and

this one was praised by the RTTC's national representative, Eddie Smith (Saracen RC) who expressed the view of the sport's governing body by stating, "We are trying to get away from the drag strip courses."

Nobody found any assistance from traffic flow on the course chosen for this championship and all times were a true reflection of the abilities of competitors. It was a pity one of them blotted his copy book by taking the wrong route at a roundabout as he cycled back to race headquarters from the finish.

Archibald Winner

'I was caught' said an astonished Lee Paxton after finishing the Bournemouth Arrow 50 mile TT. The first time it has happened in his two and a half seasons of racing.

The surprise was winner Gemini BC's Neil Archibald pleased to win after six second places in a row. If Lee had read Time Trial Weekly, he would have known that Archibald had recorded 1.45. in a 50 the week before to finish second to Ian Cammish, and not take any notice of the 1.57. indicated on the start sheet.

Paxton had quickly recovered to overtake Archibald and finish three seconds in front of him on the road and take third place.

Colin Roshier (Hounslow & District) was happy with his second place having been down with a virus, and just having finished a course of antibiotics. The 28 year old systems accountant is now looking forward to finishing off with a good season.

Expected winner Gary Dighton back from the Olympics "was unable to get motivated" He is going to have a "bit of a rest for a few weeks," feeling it is to late to try for the BAR.

Disappointed with losing contact in the Olympic team time trial, he put it down to the different way that road racers climb a hill, accelerating over the top rather than conserving energy by keeping an even pace. Longbottom and Farrel had been flying, but he felt that if he had got back on he could have still contributed to the race.

Pennine CC Wiley Trophy 50 Mile Time Trial

2nd August - Course V154

Steve Vaughan (Morley CC) stormed home to win in a very impressive time of 1.49.50 to slice almost 3 minutes off his Personal Best. He was 4 minutes ahead of second placed Brian Sunter(Condor RC) which gives some idea of the quality of his ride.

This was the first Event on this Course which started on the A59 approx 5 miles from York,joining the A1 to Dishforth and then the A168/A19 to South Kilvington. For the third week in succession a Westerly breeze blew across the A1 making the return leg pretty tough in places but it was a fast wind-assisted downhill final 4 miles - for those who had the legs to take advantage of it.

There was a full field. 30 Entries had to be returned. There were 16 DNS's and 3 DNF's. 13 riders beat 2 hours and 20 were slower than 2.15.00

Janine Gavaghan(Mirfield CC) returned in 2.10.12 to take the Fastest Lady Award. Christine Gascoigne(Airedale Olympic) was 2nd with 2.12.09.

The Morley CC took the Team Award with Phil Hurt (1.59.36) and Malcolm Cowgill(2.03.21) supporting Steve Vaughan.

GILHAM AGAIN.

The thirty mile distance is a bit of a Time Tialling "no-man's-land", probably more popular with Veterans, who can at least aim for a standard medal at the distance. With few 30's on the book, it is always discouraging to enter one, only to find on the day, that someone's "left the door open" and its blowing a gale.

Such conditions prevailed for the West London CA 30, but did not deter Bill Gilham, Reading CC from putting in a solid ride, to take the honours by better than a minute. Bill is having a "purple patch" at present, with some notable scalps to his credit at the shorter distances.

Second and third places went to Steve House and Rob Gilmour, Clarence Whs, sealing the team result, with third counter P.Horner also taking the fastest junior award.

That man Gordon Piper Polytechnic CC took home another best on standard award, despite the presence of Martin Winter, Farnborough & Camberley CC, who has been known to win one or two himself. Martin's son Steve opted for three wheels, recording a very creditable 1.15.41, good enough to beat half the field. Wendy Pails' ride secured the lady's prize for Farnborough & Camberley, despite being a little slower than she had hoped, but still ahead of quite a few of the men.

As mentioned, the day started well, but by the time of the event, the wind had got up to fresh westerly, making for crosswind conditions on the A34, and a very hard first couple miles. The drag to Ilsley was murder as usual, and the exposed parts of the dual carriageway were quite tricky with the gusting crosswind and fairly heavy traffic. Only the last couple of miles were downwind, and by then, some of the riders were past caring. Still, around the result board there was some talk of vet standards secured for another year, so a few went home satisfied.

Speaking of the result board, organiser Mick Fountain, and wife Marion, entertained the throng with a high-tech computerised result service which seemed to be distantly related to the one that produces those gas bills that no-one can understand. Seriously though, well done Mick, ever the innovator, and Marion too.

Cammish Win

Team Raleigh professional Ian Cammish may be chafing at the bit about his 1992 RRA record aspirations, but he is still capable of settling into a near-30 mph winning groove on the local time trial scene, whenever the opportunity presents itself.

In Sunday's VC Free Press 25 run as a memorial to popular Cambridge rider Ike Saul, tragically killed two years ago, Ian followed a 51-minute winning ride the previous afternoon in Suffolk, with a near 1-min. winning margin over rapid new Vet, Dave Creese, VC Slough, with another veteran, Ely's Alan Newark in third place.

A strong SW wind on the exposed L-shaped course put paid to the ambitions of many, but not Scots visitor Graham Paterson (Caithness CC). Timed unofficially at the 12.5 mile point in under 27 minutes, he took the most improved rider award by hanging on in the tough final eight miles to knock 3 mins. 6 secs., off his previous personal best, improving to 58.34.

Dave Creese led Steve Seebly (58.02) and Adrian Briers (1.00.28.) to team victory for VC Slough, a change of fortune for the club which has recently had difficulty in getting three riders completing the same event, despite regularly finishing two in the top dozen or so.

Bill Large, showing something like his old form, won the the latest round of the summer long series beating Simon Corbett by 30 secs, gaining revenge for some of the recent results. Corbett beat Dave Poulter by 8 seconds, the latter complaining about too much racing in the last week and "only riding the event for the points".

Carl Huntley showing good form after spending the last few months at college, as does Robin Jones, no doubt his trip to the tour rubbing off on him. Sarah Corbett continues to improve, this week beating her nearest rival by 4 minutes.

24 hour Record for Phillip Barlow

Phillip Barlow (Kiveton Park CC) made a convincing assault on the Northern Road Records Association 24 Hour record when he covered a total of more than 490 miles (Subject to confirmation) on 1st/2nd August.

The record stood at 441.75 miles set by J.Hall (Rutland CC) on August 22/23rd 1959, so it looks as though Phillip has added an incredible 50 miles to the distance. Unless re-checking proves to the contrary it appears that he missed the 12 hour record (which currently stands at 264.25 set by E.W.Matthews on 12th July 1964) by about 4 miles.

Nevertheless Phillip, his supporting team and Organiser Mike Blackburn were well content with the 24 hour achievement which was the main record attempt.

Although breezy conditions were perhaps not ideal the direction of the wind, which was West-South-West,

for most of the time favoured the course lay-out. During day-light hours the route was Northwards from the Newark area up the A1/A168/A19 to Middlesbrough on the first "Circuit" and as far as Thirsk the second time. The night time journey South via York and Selby to Gainsborough was a little less breezy. Cloud cover prevented the temperature from dropping too far at night and kept it reasonable during the day - just about right for riding a long way - and he certainly did that!

These lists are compiled from information obtained from Event organisers.

In a full open event at any distance it is difficult to obtain more than one result of the ladies or juniors on a provisional result, for the additional riders in any event we have to rely on receiving a final result sheet, and in some cases (not all) juniors and ladies are not marked clearly.

Unless a result is with us by 4pm Sunday it is impossible to put times for that event in the current week's lists.

Anyone with a complaint about these lists who want a time recorded should send the official result sheet to us.

The BBAR tables are supplied by Mr F.Minto (RTTC). If times appear here and not in the Fastest tables it is because we have not received a result sheet for that event.
