### Crash Fails to stop Dangerfield.

Neither a training crash the day before, or a line-up of six other sub-50 minute 25-milers could stop Stuart Dangerfield scoring his third win in the end-of-season classic Edgware RC '25' on the F1, in an event record 50-15.

The Leo RC-Shorter Rochford rider was rounding off his 1992 road season by scoring his 40th victory, before turning attention to the hill-climb calendar. But he modestly said that the abrasions to his right palm and leg, received when trying to take a bottle from his down-tube and hitting a pothole, had cost him only about 10 seconds.

What he didn't say is that the emergency Great North Road course used while the Brampton Hut turn is out of action, is reckoned to be cost riders at least half a minute, without which he would have notched his second consecutive 30 mph plus ride there.

Dangerfield had a one-minute cushion over nearest challenger, Eddie Adkins (Manchester Wheelers), who led the charge for the rest of the placings with Team Raleigh professional Ian Cammish next, back from holiday and in one of his last rides for this sponsor.

Veteran 48-min man Dave Creese (VC Slough), still stiff from a two-up '25' in East Anglia the previous day, taking fourth place and leading evergreen Bas Clarke and Adrian Briers to another team win.

Fifth was Martin Pyne (Polytechnic CC) a course specialist and former winner of the event, who produced the only 52-minute ride, just over a minute ahead of the other member of the '49-club', Ron Keeble, (Express RT)

'Young' vets Alan Newark and Bob Addy had a close tussle, with the Ely man just getting the edge over the former Tour de France rider, but Harry Featherstone (Norwood Paragon) had the biggest plus on standard, with a sterling 54-35, a week after a sub-four hour ride over the same roads in the North Middlesex and Herts '100'.

Ian Wroblewski (Leicestershire RC) took the junior award in memory of Clive Pugh, (the top Edgware rider who died tragically in a car crash) for the second year running. At the event, their first visit to an open time trial were Jean and Ken Ede, parents of promising young Stuart Ede, killed in a training accident at Peterborough two years ago. They are to present a memorial trophy to his club, Team Chiltern, for next year's open event.

Prizes were promised by Peter Keen, 'backroom boy' in Olympian Chris Boardman's Olympic success and a noted national rider in his younger days with High Wycombe CC and the Archer Road Club.

Peter and the West Sussex Institute, Chichester, Sports Science Support Project had planned to fit 20 competitors with heart pulse-monitors but the equipment was not available in time. With the aim of the BCF having access to research they are doing into the relationship between cyclists' power output and performance, it is hoped that in future there could be laboratory facilities in some 20 centres in the UK where riders could undergo power tests to determine the best training programmes for them to follow.

Tony 'Nipper' Adams, multi-time trial winner and competition record holder, was running his 25th consecutive open '25' for the north London club.

### Sue Wright's one Minute Margin clinches BBAR

Sue Wright (Chelmer CC) made sure of the ladies British Best All Rounder Championship with 56m 15s ride in the Essex Roads CC 25 mile event on Sunday. This was on the new E75 course being used for the first time on Sunday instead of the E72, and times were fast in both the ladies and the tandem event that preceded it. The weather for the event was cool when the tandem event started at 7.30am. with mist on the Boreham section of the course. The sun broke through making it warmer by the time the ladies event started at 8.06 am.

In second place was Carole Gandy one minute behind Sue with Sally Boyden (Askern CC) and Christine Roberts (Crewe Clarion Whs) tying for 3rd place with 59.10.

Georgina Pechar (Shaftesbury CC) won the junior award with 1.02.25. with the first vet award going to Arja Scarsbrook (Evesham & District) due to the one rider, one prize rule, in 1.03.15.

## LEIGH PREMIER RC HILL CLIMB

Leigh Premier RC held their final open event of the year on Sunday, when seventy one riders from all over the North took part in the clubs annual hill climb on Frodsham Hill, Cheshire.

The event, sponsored once again by the Royal Mail, was promoted for the twenty first year by the Leigh Premier RC.

Local riders performed extremely well in the event with Weaver Valley's Graham Veal improving one place on the previous year to take fourth place in 3min. 26.6secs. Graham's performance against many of the leading hill climb specialists, was one of the best ever placings by a local rider.

Another fine performance came from Miss J. Moore from Haslington, riding for the Horwich CC, as she won the ladies section taking over half a minute off the ladies record in 4m.36.1secs.

The event was won this year by Steve Hulme of the Manchester Wheelers, in a time of 3m.16.3secs. Hulme also won in 1988, 90 and 91 and will start as one of the favourites in this years National Championship. Surprise second was Mark Turnbull from the Leigh Premier RC and third place went to Chris Roy of the Mansfield RC, another of the Norths leading climbers.

The Leigh club also topped the placings in the junior section, with Mike Fairhurst adding to his win as a juvenile the previous year with a time of 3m.41.0secs. A closely fought team section was eventually won by Ellesmere Port CC from the Leigh Premier, Marple Wheelers and Weaver Valley CC.

The winner took home a £35.00 first prize for just over three minutes of suffering, and could have taken a further £25.00 if he had become the first rider to break three minutes for the climb.

The record for the 0.8 mile climb is 3m.01.6secs. and is jointly held by Chris Boardman of Manchester Wheelers in 1987 and Steve Joughin from the same club in 1980. Joughin later went on to become the National Professional Road Race Champion, and of course Boardman found world wide fame earlier in the year by taking the Olympic Gold Medal on his 'super bike'.

As well as prizes in the junior, lady, schoolboy and veteran categories, awards were also made to the fastest riders living in the local postcode areas. The fastest WA6, Frodsham rider award went to Neil Byrne of the Withington Wheelers in 3.28.2. and was good enough for sixth place overall.

The event also introduced a category for the fastest mountain bike, which was won in fine style by Paul Turton, from the Leigh club, in 4.06.5s.-an excellent time on the heavier bikes designed for "off road" climbing.

Other Weaver Valley times were S.L.Boone 3.34.7, S.D.Cole 3.35.3, who finished thirteenth and fourteenth respectively. C.Collar recorded 3.50.7. while Roy Taylor finished third in the veteran section in 4.26.6.

## Paxton's Poole Win

Lee Paxton (Salisbury RC) was in storming form for the Poole Wheelers 25 mile time trial at Bere Regis in Dorset, making up for his disappointment at not being higher than seventh in the BAR table.

Outwardly he was taking it philosophically, a rider who excels at the longer distances, he had entered two 12 hour races this year, and had bad weather in both of them.

He felt it was just the way it goes, Gethin Butler had the same problem, and much more to complain about.

He had considered riding another 12 but decided against, but not only do they call a lot on your reserves, but it is a lot to call out your helpers for three events.

A rider who has shot up into stardom over the last two years, he finds it difficult explaining to his workmates why he does not always win at shorter distances. "They can understand why Linford Christie doesn't do the marathon but they cannot accept if for cyclists."

This week Lee won, he won't be having any trouble making them understand.

His last event of the season will be a gentleman's two up with veteran Daphne Lodge, mother of professional Harry. "It is my way of paying back for the help in the 12 hours" he said.

Someone at the result board said "Nick Richardson must have pedalled his legs off for that second place," but the lower limbs were still securely fixed to the Weymouth junior, and he was riding back home" to start his winter training."

He needed the time to make sure of the South DC BAR, feeling that the last two weeks with a first and a second, had given him some encouragement for next season. His last event will be his club hill climb next week. After that he will all it a day.

Veteran Terry Icke of the promoting club just got in the prizes after puncturing at two miles to go, and finishing on a flat tyre. Now finding a bit of form after a bad start to the season when he had a cold and flu early season.

On a warm morning with little wind, and clear air after heavy rain the night before I was unable to find anyone who would agree that it had been a "floater."

### Bournemouth Womens CA 10

A mixed two up ten mile team time trial at Ringwood near Bournemouth, is the type of event where you would expect more stress on the catering facilities and the social atmosphere than the riding.

There was nothing wrong with the catering or the socialising, but with Clare Greenwood (Byways RCC) Pauline Strong (Team Raleigh) and pacers like Olympian Gary Dighton, Ray Hughes and Pete Pickers there was bound to be some fire-works, even at the end of the season.

The Team of Pete Pickers (Antelope RT) and Clare Greenwood won from Pauline Strong, and Ray Hughes (Clarence Wheelers), with Gary Dighton and fiancée Zena Harris (Crabwood CC) following behind. The Pickers Greenwood combination winning for the second year running and breaking their own event record by nine seconds.

"Shame it was not a 21" said Pete afterwards looking at his 22.18.

Clare just back from Italy, and the 11 stage tour of the BEC, where some of the stages had been 85 to 90 miles, had the form.

Pauline still has some more records to attack this year before her contract ends with Raleigh and was equally determined. If nothing turns up next year he will revert to amateur status, while she has been happy with Raleigh, she is not sure about another season of record breaking.

Looking lighter, and fitter now she is not preparing for the end to end, she has the look of someone who is going to finish her contract with a bang.

Gary Dighton plans to keep time trialling next year, but does not expect to go for the team time trial, or the 12 hour. With marriage plans in the air, he could be concentrating on shorter events.

A combination of a late change of course due to roadworks, and a morning of mist and rain no doubt caused 40 riders not to face the timekeeper. This was a shame as over 60 entries had to be returned.

Those riders that did start were blessed with a beautiful sunny afternoon upon which the indomitable Geoff Platts put up a superb ride, to win by over a minute, on the sporting Sharnford course from A.J.Harrison (Invicta RC)

The tandem event saw a closely fought contest between Pritchard and Lee (Beauvale CC) and local pair Fern and Upton (Coalville Whs) with the former just coming out on top with a 21.29.

## Olympian Lillistone Wins

Olympic selection and four times national points champion Simon Lillistone (Team Haverhill) won the South Western RC Evans Invitation time Trial held on an anticlockwise circular route based on Cranleigh, Surrey. The quality field had a warm and pleasant morning for this end of season test around the Surrey lanes though early fog on the M1 did prevent some riders travelling down from the Midlands area.

Notable non-starters for the race were John Charlesworth (Ace RT) Nick Gardiner (Oxford Poly CC) and Colin Roshier (Hounslow & Dist). However, with plenty of other cycling talent on the start card prizes were not going to be easily won.

Chris Ball (Antelope RT) took the special £100 Oakley Sunglasses prize for the fastest rider to the 20KM point with 25.24., 26 seconds ahead of Richard Prebble from the Wembley RC.

Pre race favourite Gethin Butler of the Norwood Paragon was only 10th fastest to the 20 km point and retired from the race towards the end. Butler had been suffering from an injury and not raced for several weeks.

Lillistone flew round the course and won comfortably by 51 seconds winning himself a specialized carbon fibre frame from race sponsors FW Evans Cycles of Woking.

Matthew Postle (Delta RT) came through strongly towards the end to take the runner up spot with Gary Thomas (Leek CC) third after making the long journey down from Stoke on Trent to compete.

Caire Greenwood (Byways RCC) was fastest lady with 1.28.05.

The youngsters showed the way home on Sunday with Askern pair Max West and Rob Newman (20 & 16 years respec.) clocking in a magnificent 21.40. in far from ideal conditions. It was raining heavily just before start and was misty on the highest part of the course. Wet roads and a farmers vehicle produced some splattered, but generally happy riders, none happier than Brian Whittles making a re-start after an accident earlier in the year which put him in hospital for 6 weeks. His partner (a novice, first race) was more used to karting.

Tandems produced the result that was apparent on the start sheet M.M.Jones and M.Maltby (riding out to warm up) first and best tandem mixed pair Lisa Frenz and Bob Butcher using the 2up to set themselves up for the tandem.

## Review of Wrekinsport CC Evening TT League 1992

1992 will be remembered for one factor above all else-the wind. If it wasn't blowing a gale, then it was so calm that it was almost as hard (remember the championship 25???). The first ride in the middle of April set the scene for the whole season, and although we didn't see any more snow (it is,after all, a summer competition), it did continue to blow. Isn't it amazing that the first three Wednesdays in September, when the season is over are relatively calm.

The league is run over four courses all based just north of Telford, an out and back 10 (D10/3R), a 9.5. circuit, an 18 (or 19 if you believes certain computers) circuit, and an 23.5 mile circuit. Riders must ride one trial on all four courses to gain any medals-they must also marshall at least one event, so the result below may not reflect who actually wins the medals-our club suffers, like most, a lack of marshalls from certain racing men who are quite happy to pose around in a pretty jersey but feel that is below them to stand out on a corner for even half an hour one evening a year. If this rule debars them from collecting a medal then don't come running to me for sympathy. Points are awarded with 7 for the fastest, going down to 2 for 6th place, with one point awarded to all other starters. You also get 3 points for marshalling.

Category A was a three horse race with Antony Jowett in a seemingly unassailable lead with about five events to go, but a knee injury hit and his points lead disappeared rapidly in his absence leaving Dave Poulter, who had to content himself with 2nd place most weeks until near the end came through to win. Bill Large was always a threat in 3rd place, but a mid season lapse of form proved costly.

Category B showed the big improvement of the season in the club with Simon Corbett, most definitely placed in the correct category at the start of the season, by the finish he was living with the A category men and was the runaway winner, 2nd place was finally taken by Dave Pickering, who scored 5 points on the final event to Carl Huntley who only picked up 3 as he was marshalling. However the fact that Huntley was anywhere near was amazing as he missed the first half of the season away at college.

Category C is largely decided by the number of riders by each rider as it is for the 'Sociable' members of the club. Alan Williams rode the most and gained the most points, with chairman Ken Pye riding a few less and gaining a few less points, there was a tie for 3rd place with Charlie Marrion and Dave Goring gaining 6 each.

In the ladies section there was a two horse race, and horses seems to be the main problem here, Sarah Corbett, wife of category B winner Simon, gained 37 points (the 5th highest total) but she now seems to more interested in riding four legged nags than two wheeled mounts. Come on Sarah, see the error of your ways, I know that riding horses is far easier but you could be a more than capable rider in the ladies section open trials. 2nd was Jo Large, daughter of category A Bill, and showing a good improvement on last year, with better to come next year no doubt.

Although 31 club members rode at least one event attendances were generally poor and many events had less than 10 riders, this was brought up at the recent AGM. and

many voiced the opinion that most of the distances were non-standard and therefore meaningless when compared to open 'standard distance' trials however, the whole point of the series was to encourage riders to ride against each other, comparing their times with that of the winner, and with events held on safe, non-dragstrip type courses (does such a thing exist in the Liverpool/Midlands District?) This is surely the way forward for the trialling in Britain, it may be surprising to note that these views were not held by many "Time Trialling"riders, but were widespread amongst most of the 'road racing' men.

For next season it was decided to hold the league in the same type of format but to 'standardise' where possible, the distances, ie; the 9.5. mile circuit to 10 miles, the 23.5 to 25 miles, and look at the possibility of making the 18 into 20. I cannot see it making a scrap of difference to the overall result.

## ESSEX ROADS CC

The Essex Roads CC was represented by two pairs in Sunday's promotions, club secretary Kevin Bates and Terri Spanton, daughter of the organiser, excelled themselves to record 1.05.54. This was an excellent ride bearing in mind that not only had Kevin had a knee operation three weeks ago, but also that neither had ridden competitively for over a year.

The other pair Mick Scott and Geoff Clarke both riding together for the first time recorded 57.09., using a tandem kindly loaned by Gordon Irons. This being the 2nd fastest 25 by a club pair this year.

On Saturday Malcolm Judd recorded 25.10. in the Maldon & District CC 10 mile event held on the Braintree by pass. the clubs other entrant Bill Thorncroft recorded 30.02.

**These lists are compiled from information obtained from Event organisers.**

In a full open event at any distance it is difficult to obtain more than one result of the ladies or juniors on a provisional result, for the additional riders in any event we have to rely on receiving a final result sheet, and in some cases (not all) juniors and ladies are not marked clearly.

Unless a result is with us by 4pm Sunday it is impossible to put times for that event in the current week's lists.

Anyone with a complaint about these lists who want a time recorded should send the official result sheet to us.

The BBAR tables are supplied by Mr F.Minto (RTTC). If times appear here and not in the Fastest tables it is because we have not received a result sheet for that event.
